CSUB President Lynnette Zelezny Visits BC

CSU Bakersfield's new President, **Lynnette Zelezny**, visited the Bakersfield College Panorama campus to speak with students and staff about the importance of educational collaboration. Her vision of prioritizing students, making them individually aware that they are qualified to be college educated and even more so that our educational institutions want them to succeed, reinforces the values and efforts of Bakersfield College faculty, staff, and administration.

Education throughout Kern County will prosper because of strengthening our partnerships and support.

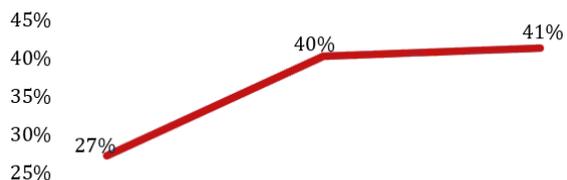

Data Snippet Transfer-Level English

Over the past few years, BC has accounted for the student's prior learning in the placement process with multiple measures.

The results show incoming Renegades over the past three years are on an accelerated path to college completion due to this proper placement in transfer-level English.

BC Football Tops El Camino in Home Opener

Renegade Football took on El Camino in the first home game of the season. During the first quarter, BC earned numbers on the board after a 12 yard scamper by Elisha Ortiz. The second half turned into a defensive battle that saw neither team score a touchdown.

The BC defense held, however and allowed the Renegades to come away with their first victory.

Prior to the game, BC celebrated with new faculty at the Annual New Faculty Reception and we welcomed special guests from McFarland High School to Memorial Stadium for their first college football experience.

Go 'Gades Go!

The Renegades Arrive in Lost Hills

The North Kern Adult Education Team at BC have launched services in Lost Hills to prepare future Renegades for the EMLS program, future CTE certificates, and degree pathways. The Wonderful Company is an advocate for education, encouraging their employees to take advantage of educational services now locally available to them.

Adult Education staff will be onsite at the **Lost Hills** Community Center every Monday to provide workshops, transitional, and matriculation support.

Women's Soccer Kicks-off the Season

The Renegades women's soccer team opened up the 2018 season with a home victory of 6-1 over West LA at Memorial Stadium.
