

**Steven Holmes Written Report to BC College Council, September 9, 2020  
Regarding May 26, 2020 KCCD District Consultation Council**

1. State Apportionment/Budget projections were shared. Since 5 months have passed, updated information from the BC VP of Finance would be more relevant. Note: it was mentioned attempts to “hold harmless” community colleges are being pursued.

  -  [2020-21 May Revision Joint Analysis 05-15-20.pdf](#)
  
2. The [KCCD Climate Survey](#) was shared. Please review. The data does not necessarily show improvement regarding morale between colleges and the district office. As well, it appears concerns at Cerro Coso are emerging.
  
3. The [KCCD Accessibility Report](#) and [next steps](#) were shared. This document was prepared by a large, 20+ member, shared government committee. Please review and share comments /or concerns with the BC representatives:
