

## **AIQ Report**

**Prepared for College Council, September 23, 2020**

**Grace Commiso, Faculty Co-Chair AIQ**

### AIQ Charge:

- Updated membership section only to clarify and reflect current membership

### Institution-Set Standards:

- Presented at CC 9/8/20, see supporting documentation for presentation
- Requested OIE to prepare data by next meeting (9/29/20)
- Requested OIE to create a tableau dashboard for ISS outcomes including disaggregation filters
- Requested Assessment Committee to discuss, what one or more ISS's focused on Student Learning would look like.

### Strategic Directions:

- Current 3-year cycle ending. Nothing due in Fall, just a reminder that final scores will be due in Spring.
- New cycle will start soon. Todd Coston is charged with leading that work and developing the process for collaboration (e.g. task force, suggested initiatives, presentations at committees, etc.)

### OIE COVID-19 Student Survey Report:

- Presented to AIQ 9/15/20 by Craig Hayward & Sooyeon Kim
- Areas of focus on Challenges and Perceptions
- Interesting notes
  - 22% of students who responded lack access to reliable internet
  - 13% of students who responded lack access to reliable digital device
  - Largest Challenges
    - 49% have to take care of family members
    - 59% say home environment not conducive to learning
    - 79% feeling nervous, anxious or on edge
