Forms & Health Passes

Daily Pre-Screening

As I return to Porterville College, I understand I have a role in the fight against COVID-19. I commit to responsible actions and to being an accountable member of both PC and the Porterville community.

I pledge to uphold this ideal every day by:

- Following public health guidelines to help protect myself and others.
- Protecting myself and others in areas of campus or situations where physical distancing isn't possible to reduce the spread of COVID-19.
- Keeping my hands clean and sanitized while on campus, in my community, and at home.
- Adhering to capacity limits in social situations to prevent high-spread scenarios.
- Modifying my actions and encouraging others to do the same as guidelines and recommendations adapt over time.
- Providing accurate and honest information during all screening and contact tracing activities.

By taking the pledge to keep Porterville College in good health, I accept responsibility for myself and my actions and will do my best to prevent the spread of COVID-19.

Forms:

1. Pledge

9:41

I pledge to do my part to keep our community in good health as I return to Porterville College. I understand I have a role in the fight against COVID-19 and commit to responsible actions and to being an accountable member of both PC and the Porterville community.

I pledge to uphold this ideal every day by demonstrating personal integrity, respecting others, and supporting my community by:

- Following public health guidelines in place to help protect myself and others.
- Protecting myself and others in high-traffic areas of campus or situations where physical distancing isn't possible to reduce the spread of COVID-19.
- Keeping my hands clean and sanitized while on campus, in my community, and at home.
- Adhering to capacity limits in social situations to prevent high-spread scenarios.
- Modifying my actions and encouraging others to do the same as guidelines and recommendations adapt over time.
- Providing accurate and honest information during all screening and contact tracing activities.

By taking the pledge to keep Porterville College in good health, I accept responsibility for myself and my actions and will do my best to prevent the spread of COVID-19.

2. Pre-Screening

9:41

Pre-Screening

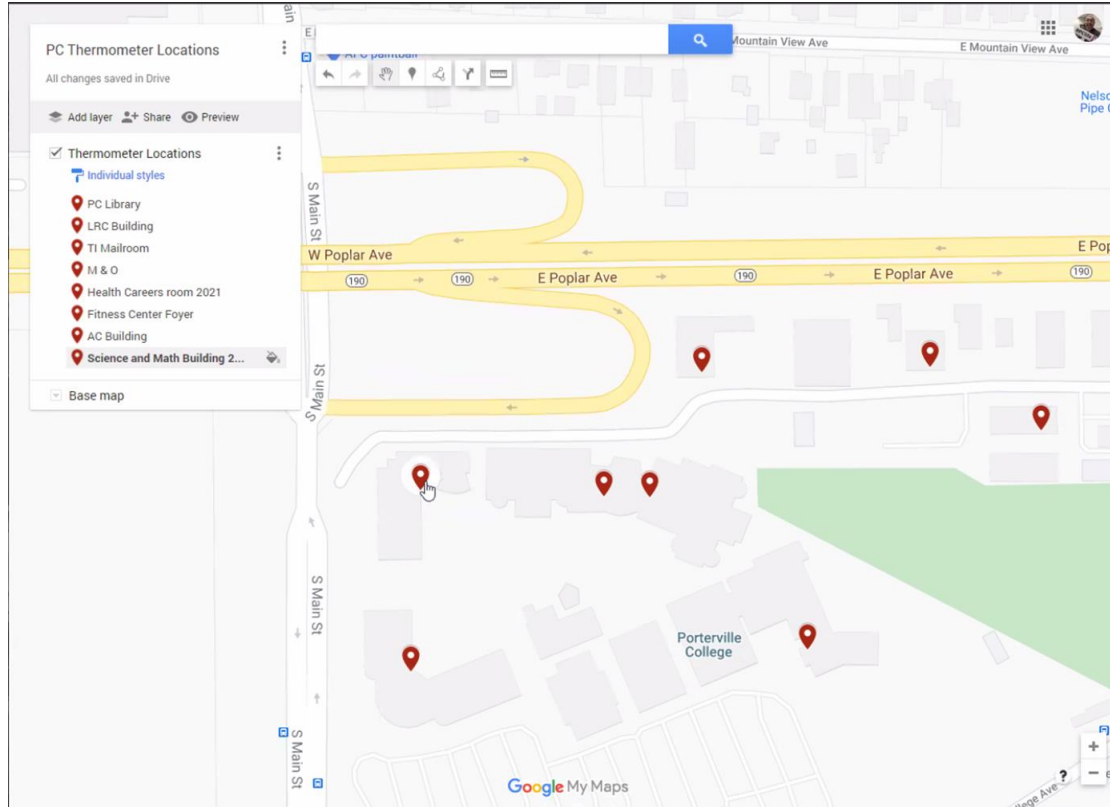

Are you experiencing any of the following symptoms?

- Fever
- Loss of Smell
- Sore Throat
- Cough
- Headache

- Cough
- Headache

2. Form Results

9:41

Pre-Screener

You are Clear!

This is a pre-screening form that we need to have for every 24 hours. Once you have completed it, you will be issued a Health Pass.

3. Health Pass

9:41

Health Pass

You are Clear!

Valid for the day. If you start experiencing any symptoms, please immediately report to the health center.

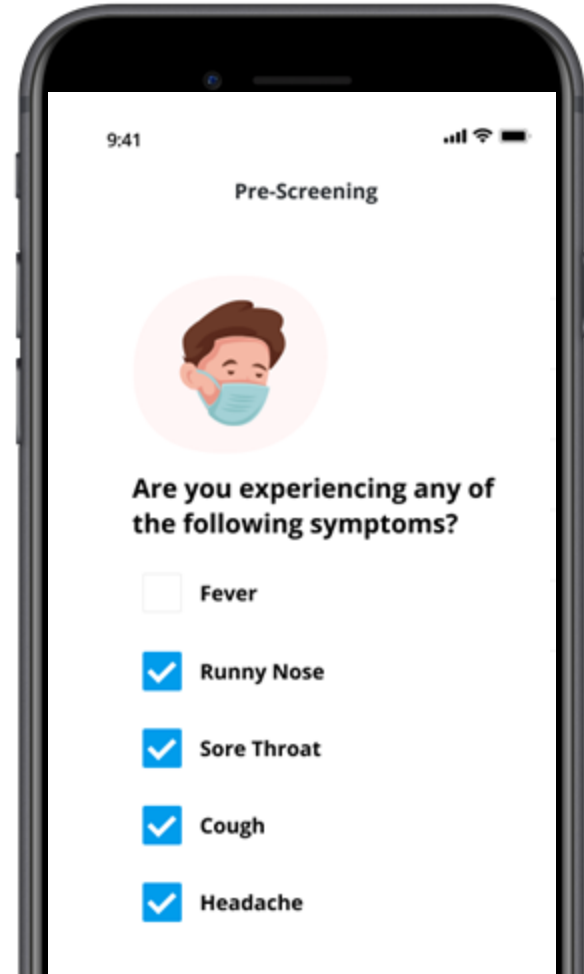

1. Pre-Screening & Health Pass

Pre-Screening Form

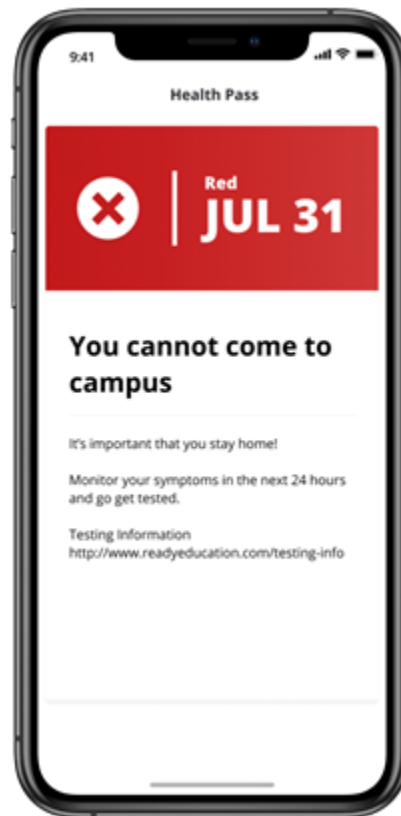

- Daily Reminder (7am Local Time)
- Customizable questions & logic
- Prompts pass/fail results based on answers

Clear Health Pass

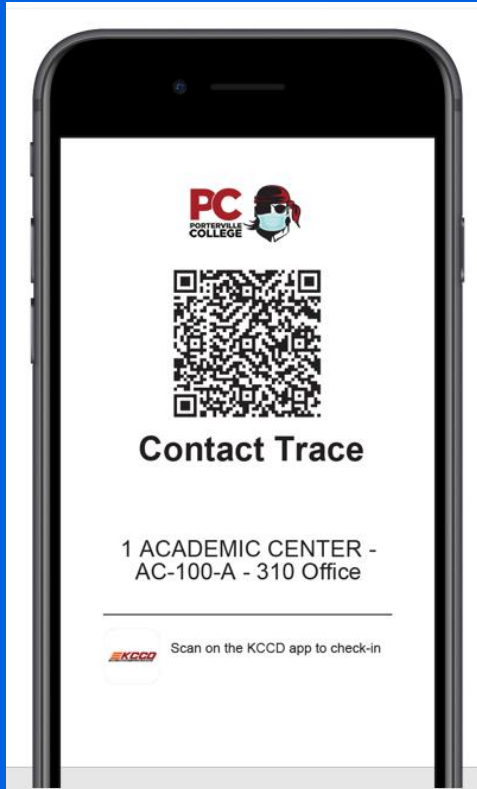

- Requires student to conduct the pre-screening AND not have an active case
- Expires at the beginning of each day at 12:00AM

Health Passes

QR Codes

- QR Codes were generated for all campus rooms based on the October 2020 FUSION Space Inventory.
- QR Codes are branded to the campus and must be scanned inside of the ReadyEducation App.
- QR Code scans should be completed by both students and staff. This information will not be used for discipline but for contact tracing to aid in notifications.

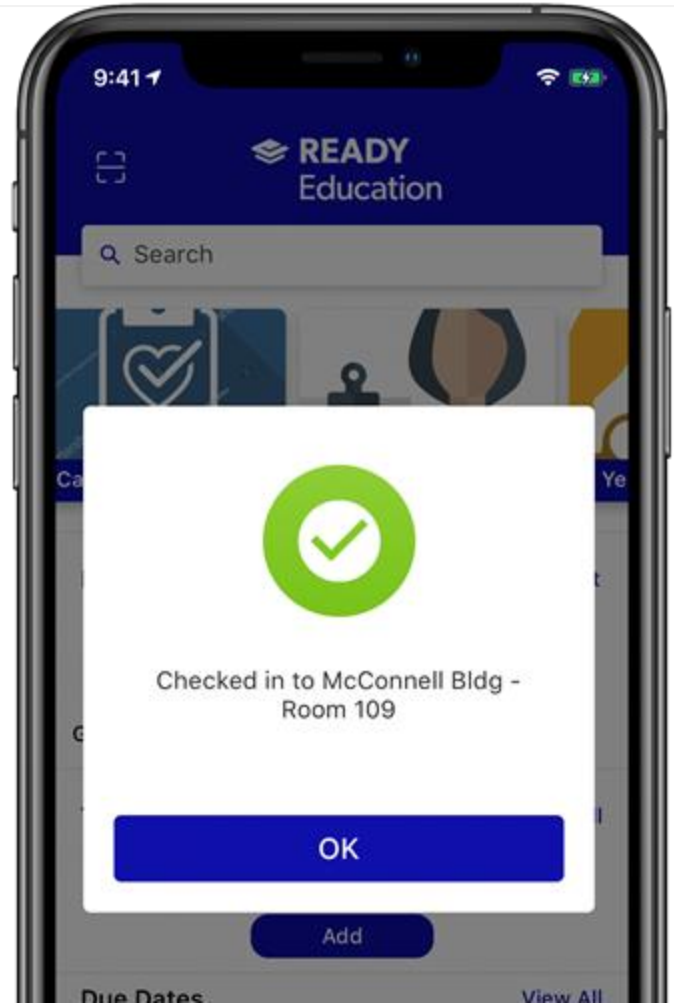

QR Code Location Scan

Scanning

- Scan using the QR Scan in the app (not possible outside of the app)
- App account required (no visitors)

Location

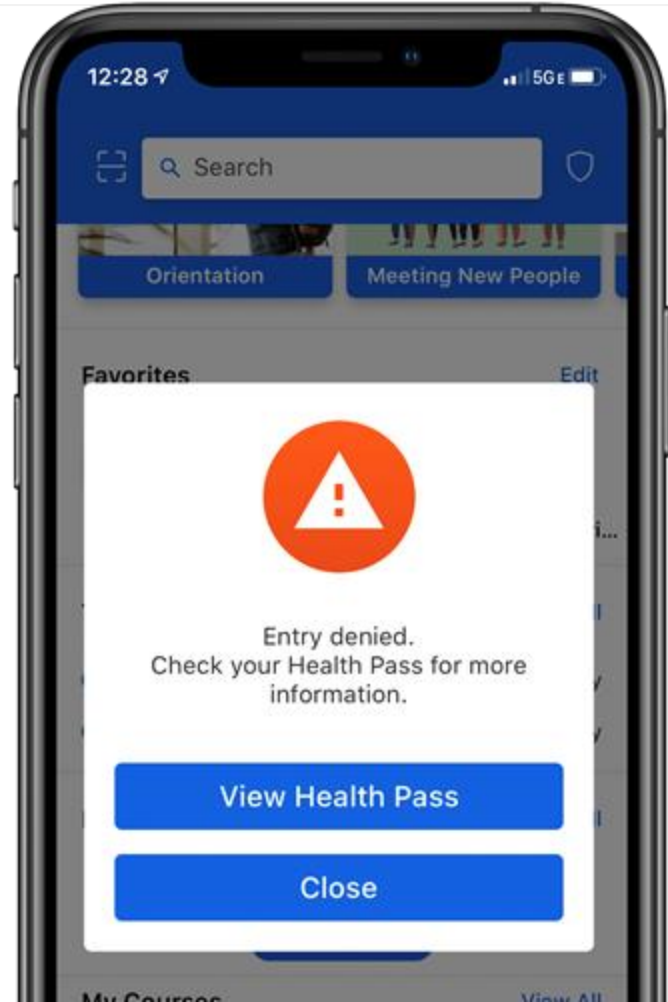

- Single Use Buildings
- Multi-Floor
- Rooms / Offices

QR Code Location Scan

Non-Clear Health Pass

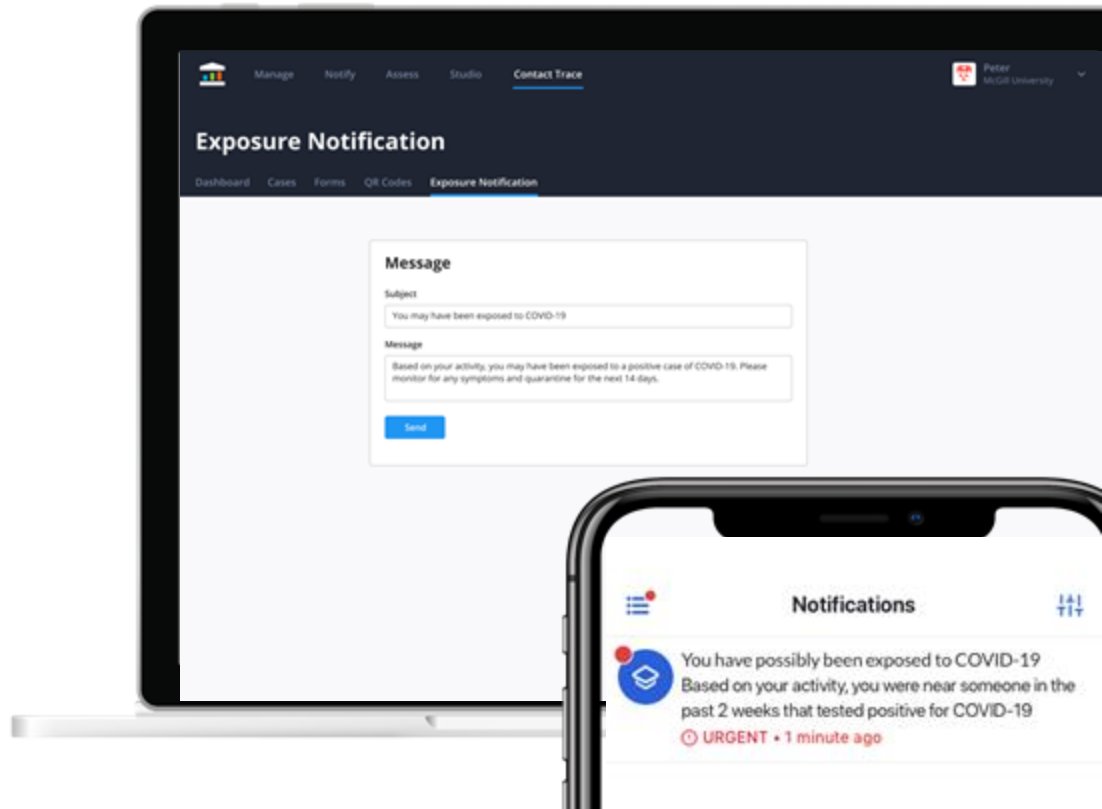

- If student has an symptomatic/exposed/confirmed case (failed pre-screening).
- QR scans will show a warning if student checks in with non-clear health pass.
- Health Pass can guide with instructions.

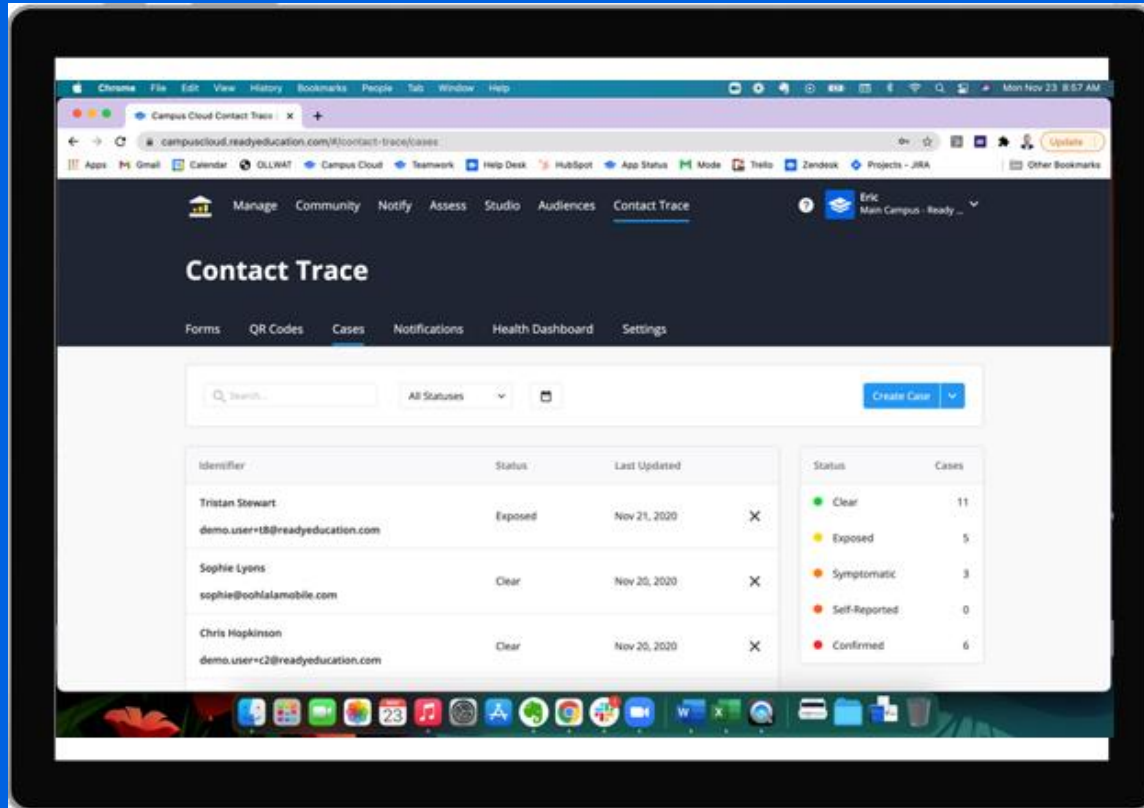

Exposure Notification

Case Management

- Contact tracing algorithm creates list of potentially exposed students
- Automatically creates exposure notification draft
- Send notification **manually**

Case Management

One-Stop Case Management

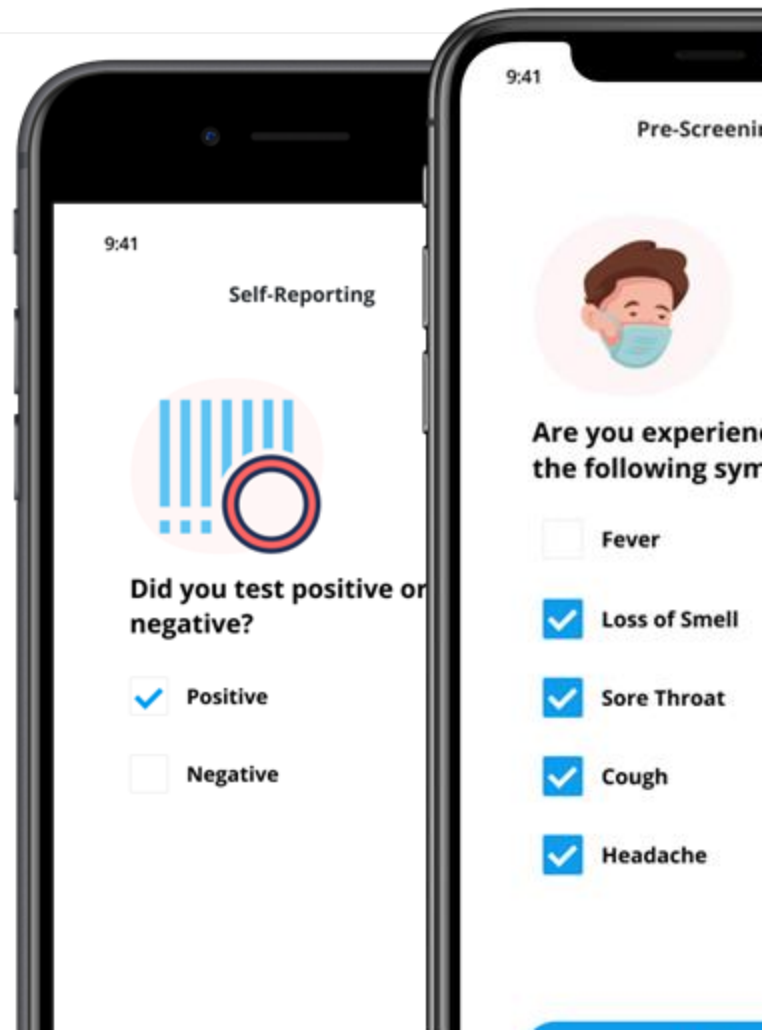

The screenshot displays the 'Contact Trace' interface within the Campus Cloud system. The browser address bar shows the URL 'ccstaging.ochalamobile.com/#!/contact-trace/exposure-notification'. The navigation menu includes 'Manage', 'Notify', 'Assess', 'Studio', 'Audiences', and 'Contact Trace'. The user is logged in as 'Eric Main Campus'. The main content area features a search bar, a 'Send' dropdown menu, and a 'Create Notification' button. Below this is a table of notifications.

KCCCD HIPAA Training

HUMAN RESOURCES

HIPAA Overview

This course provides staff members with a basic understanding of current HIPAA regulations. The course will review the definition of HIPAA, whom HIPAA applies to, what HIPAA requires of you, and discuss the consequences of HIPAA violations. This course does not serve as legal advice, nor is it meant to be comprehensive. Always check with your Human Resources department for questions related to HIPAA.
