

Program Review

February 26, 2024

Goals of the Committee:

1. Improve program quality
2. Develop a guide for future direction
3. Reflect the college's vision, mission, and core values
4. Prepare an annual report for Academic Senate, President, College Council

The PRC also helps with the following:

5. Develop assessment plans
6. Budget planning
7. Provide feedback and training on the program review process for members and editors
8. Advise on new program inclusion
9. Communicate with the campus and community

Announcements:

- First meeting 2/04/2025
- Spring planning for April 1, 2025 roll out of the 2025-26 cycle
- Initiative sections are in the process of being updated by the PRC members

Completed Items:

- ISIT defense of technology requests

Upcoming Items:

- Update resource request initiative sections
- Create the 2025-26 cycle in eLumen
- Update resource documents
- Send programs their program review documents via email
- Provide trainings to various groups

Respectfully submitted,

Kim Nickell, Kristin Rabe, & Karyna Bandy
