Bakersfield College Curriculum Committee Proposal

CSU Executive Order 1036 encourages campuses to use evidence of military training to satisfy Area E of the California State University General Education Breadth. Typically this evidence is the completion of basic training as listed on a veteran's discharge papers, form DD-214. This proposal is to follow the lead of the CSU campuses that have all elected to honor GE Breadth transfer certifications that clear Area E Lifelong Learning with a DD-214 for Bakersfield College student veterans.

I propose that Bakersfield College Curriculum Committee recommend to Bakersfield College Administration that BC will use an approved veteran's DD-214 to clear Area E of the CSU GE Breadth Area E Lifelong Long Learning.
