

MARCH 2023 | NEWSLETTER

RELEASED TODAY: New features – prioritized by you!

We are excited to announce the release of new features that will streamline your processes within eLumen by improving the user interface and navigation paths.

The new features were identified and prioritized by The Connect Consortium (TCC), our community-driven approach to software development. Our users partner with our software developers to guide the feature roadmap. TCC is key to our product strategy and vision.

FEATURE RELEASE SCHEDULE

Released to all eLumen test and production sites unless noted otherwise.

March 6, 2023

NEW ASSESSMENT LIBRARY

Improved navigation and filters for your institution's library of learning outcome rubrics
