How will "regular and substantive interaction" be demonstrated in this course? "Regular interaction" according to section 55204 is defined as 1) Providing the opportunity for substantive interactions with the student on a predictable and scheduled basis commensurate with the length of time and the amount of content in the course or competency, and 2) Monitoring the student's academic engagement and success and ensuring that an instructor is responsible for promptly and proactively engaging in substantive interaction with the student when needed on the basis of such monitoring, or upon request by the student. Title V, section 55204 requires at least TWO of the following. Please choose at least TWO options from the list below.

None selected

- Providing direct instruction
- Assessing or providing feedback on a student's coursework
- Providing information or responding to questions about the content of a course or competency
- Facilitating a group discussion regarding the content of a course or competency
- Other instructional activities approved by the institution's or program's accrediting agency

By checking both boxes below, the instructor is ensuring compliance with Section 55204 of Title V.
