Programs 10/19/23

| Meeting Date | Program Title | Program Description | Program Type (B, ADT, AA, AS, CA, JSC, NC) | Request Type | Units / Hours | Start Semester |
|--------------|-------------------------------|---|--|--------------|---------------|----------------|
| 5/4/2023 | Project Management Essentials | Provides students with the knowledge and skills needed in project planning and management. This program provides students with the practical application skills and working knowledge of the tools necessary to plan, implement and manage projects in any business environment. This program requires completion of two classes (INDA B50NC and INDA B51NC). The program courses include instruction in the fundamentals of project management, including planning, defining a project, resources, roles and responsibilities, necessary skills, tools and processes. Project management software options such as Microsoft Project are used throughout the program. Instruction will also cover team building, problem solving, decision making, using creativity and innovation, emerging trends, and communication skills. To achieve the Certificate of Completion: Upon completion of the following courses with a grade of 'P', the student will be awarded a Certificate of Completion. | Certificate of Completion (NC) | New | 0 | Summer 2024 |
| 5/4/2023 | Electrician Apprenticeship | Apprenticeship courses are designed for indentured apprentices under the Shelley-Maloney California Apprenticeship Standards Act. The Apprentice Agreement states that the student will supplement on-the-job training with related classroom instruction during each year of apprenticeship. Apprentice classes meet three to eight hours per week and yield two to six units of credit. Joint Apprenticeship Committees administering each program are composed of representation from labor, management, California State Division of Apprenticeship Standards, and Bakersfield College. These committees adopt state approved standards for operation and assure equal opportunity for applicants. Related training in apprenticeable occupations, in addition to those listed below, may be offered as the need arises. Information for entry into apprenticeship programs may be obtained from the college coordinator of apprenticeship training. Interested persons are encouraged to apply for any of these programs and may contact the Bakersfield College Apprenticeship Department at 661/395-4408 for further information. Associate of Science: Upon completion of graduation requirements and the required degree courses with at least a 'C' or 'P' grade in each course, the student will be awarded an Associate of Science degree. | Associate of Arts (A.A.) degree | Revision | Dec-45 | Summer 2023 |
| 5/4/2023 | Human Services | The Human Service Job Skills Certificate emphasizes academic preparation in disciplines relating to human services as well as hands-on experience through interning with community agencies. This certificate enhances students' preparation and facilitates employment opportunities in careers relating to servicing human needs. To Achieve the Job Skills Certificate Upon completion of the following courses with at least a 'C' grade in each course, the student will be awarded a Human Services Job Skills Certificate. | Job Skills Certificate | Revision | 13.5-14 | Summer 2024 |
