

Social and Behavioral Sciences & Human Services

October 2019 Report

Prepared by Christina Howell

Progress:

- We have scheduled our monthly meetings
- We have identified who is on the committee, still working on a few people.
- We have set up a core group that meets to decide what we need to discuss each meeting.
- We have had our first meeting and had about 12 people in attendance.
-

Challenges:

- We have a few people who are reluctant members.
- Everyone has busy schedules so it is difficult to meet.

Questions:

- None at this time.
