

Overall Completion Rates Compared Week by Week (per term)

This display of data shows how completion rates progressed throughout the term.

With week 2's progress survey being the only one that is open for one week, compared to the others that are open for two weeks, there is a notable difference in participation. The timing of the term could also be a factor contributing to completion rates.

Overall Progress Survey Completion Progress

	Fall 22	Spring 23	Fall 23	Spring 24
Week 2		28%	27%	25%
Week 4	53%	42%	40%	37%
Week 8	50%	46%	39%	34%
Week 12	40%	35%	29%	34%

The Progress Survey process began as 3 Progress Surveys process that took place each term. It was deployed on week 4, 8, and 12. After faculty deliberation, which took place in the GPS meetings, it was decided to add a 4th progress survey. A "week 2" survey was added. After completing 4 terms of doing this process, and collecting 15 progress survey's worth of data; we can see if trends emerged.
