TIPD Goals for 2014-2015

1. Continue to develop and test online orientation:

- Summer 2014 - Single class test
- Fall 2014 - Multiple class test
- Spring 2015 - Multiple faculty pilot - Seeking interested faculty (see Bill)

2. Start new initiative with individual tech appointments

- Brown bags were a relative failure. Arbitrary topics, scheduling, etc.
- Topics that faculty want, focusing on projects, shared out via TIPD
- First call went out. 5-6 faculty already responding with interest.

3. Continue to develop and enhance the BC-TIPD site and Community

- 30+ Faculty users, 50+ technologies
- Blog is still active

4. Pursue college-wide technology projects and initiatives

- Title 5 Grant
- OEI
- KCI
- Others?

5. Continue to help drive innovation and technology in committees

- ISIT
- SDCC
- Others?
